- Custom web applications and dashboards
- Online forms and intake workflows
- Application and request tracking
- Website maintenance and support
- Accessibility-minded page structure
- Documentation and training
- Automation for routine administrative work

NAICS CODES

541511	Custom Computer Programming Services
541512	Computer Systems Design Services
541519	Other Computer Related Services
518210	Computing Infrastructure Providers, Data Processing, Web Hosting, and Related Services
541430	Graphic Design Services
541613	Marketing Consulting Services

- Monroe County Dog Shelter & Animal Welfare Department: website sponsorship and support for adoption, volunteer, licensing, and public animal welfare information.
- Community Legal Process Services: professional service website with clearer intake, scheduling, service explanation, and trust-focused structure.
- Schendel Land Management: consulting website built around service clarity, positioning, and a direct conversation path.
- BaumbachSolutions.com: owned website and workflow system with service pages, case studies, pricing guidance, forms, article publishing, and operational workflows.

Examples are presented as relevant organizational and public-facing work, not federal past performance.

BEST FIT

Small agencies, public-facing programs, county or municipal departments, parks, shelters, community programs, legal/process-oriented services, prime contractors needing a small-business web/app subcontractor, and organizations with forms, intake, dashboards, or content management problems.
